TO WHOM IT MAY CONCERN

Dear Sir,

REFERENCE FOR URBAN DESIGN ARCHITECTURE

Alarick and his team have been proficient and professional in the manner they have handled my project.

They are a very creative team they have demonstrated high technical ability when it comes to matters that arose around refurbishing and existing house.

The showed a deep understanding of the client's brief and excellent project management skills during the construction of private residence

PROJECT COMPLETION REFERENCE LETTER

Client: Mark and Lytania Johnson

Project Name: House Johnson - 2195 Inkunzi street ,Eye of Africa Estate

Year Completed: 2019

Comments:

Urban Design Architecture partnered with us on the journey to build our home. We started the journey in May 2018 and completed the project in July 2019. Urban design's contribution to designing our dream home was a great experience for us. They came up with a modern and fresh design that spoke directly to our style and needs. The commitment from the Urban design team was impressive and they never wavered to meet our needs as their clients. The final product went above and beyond our expectations and the number of compliments we receive is a testament to a job well done.
